**Legal Description:** A portion of Tract 8, Nellie D. Mundy Survey No. 239  
**Location:** 7051 S. Desert Blvd.  
**Representative District:** West ETJ (Adjacent to District 1)  
**Area:** 80.65 Acres  
**Present Zoning:** N/A  
**Present Use:** Regional Retail under construction  
**Proposed Use:** Regional Retail  
**Surrounding Land Uses:** **North:** West ETJ / Vacant; **South:** C-4 / Vacant  
**East:** C-4 / Regional Retail; **West:** West ETJ / Vacant  
**Year 2025 Designation:** **Industrial and Residential** (West ETJ)

### **General Information:**

The applicant requests annexation in accordance with a development agreement approved by the City Council on January 30, 2007. The property consists of 80.65 acres of land and is currently under construction for a commercial retail center. The conceptual site plan shows two parcels. The parcel adjacent to Interstate Highway 10 is proposed for a commercial retail center. No immediate development plans are proposed for the parcel to the rear of the property.

A separate rezoning application is in process for the portion of the subject property adjacent to Interstate Highway 10 in order to rezone from R-F (Ranch and Farm) to C-4 (Commercial). The remaining portion of the property will be annexed as R-F/c (Ranch and Farm/condition) with detailed site development review required.

### **Staff Recommendation:**

The Development Coordinating Committee (DCC) recommends **APPROVAL** of this request for annexation. The annexation will be subject to all conditions of the development agreement. The service plan will be approved with the ordinance approving the annexation pursuant to Chapter 43 of the Texas Local Government Code.

The recommendation is based on the following:

- **The Plan for El Paso City-Wide Land Use Goals** recommends that El Paso “Evaluate annexation requests to determine feasibility and impact on existing City services and fiscal resources.”
- **The Year 2025 Projected General Land Use Map** for the West ETJ designates this property for Light Industrial and Residential uses.

In addition, recommendation for approval of annexation was based on the overall long-term benefits to the City versus the short-term impacts. Annexation of the subject property would accomplish the following:

- ensure proper land use relationships with high standards of construction through zoning and building codes;
- protect the City's growth ability in the West ETJ;
- implement the long range goals of the City's Comprehensive Plan; and,
- require applicants to share in the City's hard and soft infrastructure costs to serve the property (not otherwise allowed under the Impact Fee Statute for properties within the City Limits for off-site systems).

### **Findings:**

The Commission must determine the following:

1. Will annexation of the subject property protect the best interest, health, safety/welfare of the public in general?
2. Will a regional retail development be compatible with adjacent land uses?
3. What is the relation of the proposed annexation to the city's Comprehensive Plan?
4. What effect will the annexation have upon the natural environment social and economic conditions and property values in the vicinity and in the city as a whole?

*Based on gallons per minute water flow; EPWU-PSB Rules & Regulations No. 1, Sec. 7 (J)*

The Annexation Fee shall be increased by three (3) percent on December 1, 2007 and each year thereafter, compounded annually. Payment of the Annexation Fee shall be due at the time of application for connection of an individual meter to the water system. Notwithstanding the adoption of New City Regulations, the Annexation Fee set forth above shall not be increased in relation to the Property, nor shall the Owner be responsible for payment of impact fees or other new fees, regardless how named, which may serve purposes identical to or similar to the Annexation Fee.

The PSB agrees to impose on new Westside developments that are annexed into the City after the Effective Date, or that are located in the Westside PSB Planned Service Area and to which City water or wastewater services are connected after the Effective Date, Annexation Fees that are equal to or greater than the fees imposed on Owner under this Agreement. Notwithstanding the foregoing, the PSB shall not be required to impose an Annexation Fee to any Westside development to the extent it is connected to and serviced by another entity, which is governed by a separate agreement and subsequently annexed by the City.

Immediately after the Effective Date, the PSB shall commence the engineering and construction activities necessary to provide retail water and wastewater services to the Owner's Property in order to ensure that the development of the Property in accordance with the Phasing Plan is not delayed. Within ninety (90) days following the Effective Date, water and wastewater services shall be made available to the Property. The water and wastewater facilities to be constructed by the Owner, and the PSB Facilities, to be constructed by the PSB, are addressed in Section Fourteen.

Without limiting the foregoing, the provision of retail water and wastewater services shall not be delayed on the grounds that the Property has not been annexed in

whole or in part. The rates for water and wastewater services shall be equal to the rates charged inside the incorporated boundaries of the City. However, if the Owner for whatever reason fails to submit annexation applications in accordance with the provisions of this Agreement or is in default of any obligation under this Agreement, then the rates for water and wastewater services shall be in accordance with the PSB regulations for outside City rates, in addition to any fees required herein. If the Property is subsequently annexed, inside City rates for the incorporated boundaries in accordance with PSB regulations in effect at the time of annexation shall apply. The City's obligation to provide water and wastewater services to the Property shall survive the expiration of the term of the Agreement. The obligation for the Owner to pay Annexation Fees as each water meter application is made survives the expiration of the Term of this Agreement.

ELEVEN: Owner shall provide the City with one (1) mylar and three (3) paper prints of a current aerial map of the Property depicting the condition of the Property. Such aerial, and any other evidence necessary to demonstrate the existence of any non-conforming lot, use or structure on the Property, shall be provided by the Owner within thirty (30) days after the date the City adopts an annexation ordinance annexing a portion of the Property. The aerial and other evidence shall be submitted to the Zoning Administrator in the Development Services Department of the City for validation of such non-conforming lot, use or structure within the Property.

TWELVE: Owner shall ensure that facilities and services of sufficient capacity, whether public or private, shall be provided as attributable to any development within the Property.

THIRTEEN: Any formal notices or other communications required to be given by one Party to the other under this Agreement shall be given in writing, addressed to the Party to be notified at the address set forth below, by (i) delivering the same in person (ii) depositing the same in the United States Mail, certified or registered, return receipt requested, postage prepaid (iii) depositing the same with Federal Express or with another nationally recognized courier service guaranteeing "next day delivery" or (iv) sending the same by telefax with confirming copy sent by certified or registered mail. Notice shall be effective only if and when received by the Party to be notified. For the purposes of notice, the addresses of the Parties, until changed as provided below, shall be as follows:

**FOURTEEN:** This Agreement shall have a term of fifteen (15) years. The Parties may, by mutual agreement, as evidenced by a writing executed by the City Manager of the City, the General Manager of the El Paso Water Utilities Department, and a representative of the Owner, extend and/or renew the term, but only to the extent permitted by Subchapter G, Chapter 212, Local Government Code; provided, however, nothing contained in this section shall affect the Owner's obligation to submit nominations for annexation of all phases of the Property on or before the fourth (4<sup>th</sup>) anniversary of the Effective Date.

**FIFTEEN:** (a) Except for the PSB Facilities, the Owner agrees to construct at its expense the mains and pipes located inside the Property that are necessary to provide retail water and wastewater utility services to the Property. The mains and pipes shall be designed and constructed in accordance with PSB Regulations. To the extent such facilities are oversized for the purpose of serving developments outside the Property, the cost of the oversized portion of the facilities shall be borne by the PSB. Notwithstanding the foregoing, the Owner shall not be obligated to construct or otherwise bear the costs of

PSB Facilities, including water supply, water treatment facilities, wells, water storage tanks, desalinization facilities, or wastewater treatment facilities, in excess of the Annexation Fee provided for herein.

**SIXTEEN:** To the extent (if any) that this Agreement would obligate the City to make a payment or make an expenditure, the obligation shall be payable solely from revenues received by the City from current revenues, including revenues from the sale of water and wastewater utility services, it being the intention of the Parties that no obligation of the City in this Agreement shall be payable in whole or in part from property taxes, or from proceeds of obligations payable in whole or in part from property taxes, or otherwise constitute a debt of the City within the meaning of Article XI, Section 5 or Section 7 of the Texas Constitution.

**Successors and Assigns:** This Agreement is a restriction, condition and covenant running with the Property and a charge and servitude thereon, and shall be binding upon and inure to the benefit of the Parties hereto, and their heirs, successors and assigns of all or any part of the Property. Any future conveyance of the Property shall contain the restrictions, conditions and covenants and shall embody this Agreement by express reference; provided, however, this Agreement shall not be binding on, and shall not create any encumbrance to title as to, any end-buyer of a fully developed and improved lot within the Property, except for land use regulations that may apply to a specific lot.

**Remedies:** This Agreement shall be enforceable in any court of competent jurisdiction by any of the Parties or by an appropriate action at law or in equity to secure the performance of the restrictions, conditions and covenants herein contained.

In the event a Party (the "Defaulting Party") commits a breach of this Agreement, the other Party (the "Non-Defaulting Party"), shall, prior to bringing suit or pursuing any other remedy, provide written notice of such breach to the Defaulting Party. Following receipt of such notice, the Defaulting Party shall have thirty (30) days within which to cure the breach. If the breach cannot be cured within such thirty (30) day period, the Defaulting Party shall commence to cure such breach within said period and thereafter diligently continue such cure to completion. In the event the Defaulting Party fails to cure the breach within said period, then the Non-Defaulting Party may pursue any remedy provided at law or in equity.

**Force Majeure:** In the event any Party is rendered unable, wholly or in part, by force majeure to carry out any of its obligations under this Agreement, it is agreed that on such Party's giving of notice and the full particulars of such force majeure in writing to the other Party as soon as possible after the occurrence of the cause relied upon, then the obligations of the Party giving such notice, to the extent it is affected by force majeure and to the extent that due diligence is being used to resume performance at the earliest practicable time, shall be suspended during the continuance of any inability but for no longer period.

The term "force majeure" as used herein, shall include, but not be limited to, acts of God, strikes, lockouts or other industrial disturbances, acts of the public enemy, war,

terrorism, blockades, insurrections, riots, epidemics, landslides, lightening, earthquakes, fires, storms, floods, washouts, droughts, tornadoes, hurricanes, arrests and restraints of governments and people, explosions, breakage or damage to machines or pipelines and any other inabilities of either Party, whether similar to those enumerated or otherwise, and not within the reasonable control of the Party claiming such inability.

**Severability:** If any provision of this Agreement is held invalid by a court of competent jurisdiction, such provision shall be deemed to be excised herefrom and the invalidity thereof shall not affect any of the other provisions contained herein, provided that any invalid provisions are not deemed by the City or the Owner to be material to the overall purpose and operation of this Agreement. If the City or the Owner determines that the invalid provision is material, then, if the City has made such determination, the City shall have the option to disannex the Property, and if the Owner has made such determination, the Owner shall have the option to terminate this Agreement. Such judgment or decree shall relieve the City and the Owner from performance under such invalid provision of this Agreement.

**Entire Agreement:** This Agreement contains the entire agreement of the Parties, and there are no other agreements or promises, oral or written, between the Parties regarding the subject matter of this Agreement. This Agreement may be amended only by written agreement signed by the Parties. By approving the execution of this Agreement, the City Council of the City, and the Public Utilities Board of the El Paso Water Utilities, delegate to the City Manager of the City, and to the General Manager of the El Paso Water Utilities, the authority, without any further action being required of the City Council or of the Public Utilities Board, to execute such amendments of or extensions to this Agreement as they may consider advisable, and consistent with the provisions of law.

The Parties acknowledge that this Agreement is performable in El Paso County, Texas and hereby submit to the jurisdiction of the state or federal courts situated in that County, and hereby agree that any such Court shall be a proper forum for the determination of any dispute arising hereunder.

**No Third Party Beneficiary:** This Agreement is not intended, nor will it be construed, to create any third-party beneficiary rights in any person or entity who is not a Party, unless expressly otherwise provided.

**Waiver:** Any failure by a Party hereto to insist upon strict performance by the other Party of any material provision of this Agreement shall not be deemed a waiver thereof or of any other provision hereof, and such Party shall have the right at any time thereafter to insist upon strict performance of any and all of the provisions of this Agreement.

**Reservation of Rights:** To the extent not inconsistent with this Agreement, each Party reserves all rights, privileges, and immunities under applicable laws.

**Further Documents:** Each Party agrees that at any time after execution of this Agreement, it will, upon request of the other Party, execute and deliver such further documents and do such further acts and things as the other Party may reasonably request in order to effectuate the terms of this Agreement.

**Incorporation of Exhibits and Other Documents by Reference:** All exhibits and other documents attached to or referred to in this Agreement are incorporated herein by reference for the purposes set forth in this Agreement.

**Effect of State and Federal Laws:** Notwithstanding any other provisions of this Agreement, each Party shall, in carrying out the terms of this Agreement, comply with all applicable State and Federal laws.

**Headings:** The headings as to contents of particular articles or sections herein are inserted only for convenience, and they are in no way to be construed as a limitation on the scope of the particular articles or sections to which they refer.

**Ambiguities:** In the event of any ambiguity in any of the terms of this Agreement, it shall not be construed for or against any Party on the basis that such Party did or did not author the same.

**Counterparts:** It is understood and agreed that this Agreement may be executed in any number of counterparts, each which shall be deemed an original for all purposes.

**Authority for Execution:** Each Party hereby certifies, represents, and warrants that the execution of this Agreement has been duly authorized.

**IN WITNESS WHEREOF,** the parties have hereunto set their hands and seals and have caused this instrument to be executed by their duly authorized officials and the corporate seal affixed hereto, all on the day and year first above written.
